Decorations

As we are a fully operational Restaurant for breakfast, lunch and dinner we will be operating up until your function time. Please check with us what time you can set up decorations from and if you need to set up earlier please let us know as it will raise your minimum spend.
We unfortunately are unable to take responsibility for lost or damaged items.

Any candles used must not drip on to the tables so must be in a closed base.

You can hang light string from the lights in the courtyard and you are welcome to bring your own lights for the courtyard tree.

Unfortunately we are unable to stick or blu tac anything to the walls or tables.

Any left over cake will be disposed of at approximately midday the following day.

If you do have extensive decorations - we recommend sending in a friend to set up before your event or you can hire an "on the day" planner to orchestrate set up duties.
We are happy to recommend the following planners to assist with set up. You can contact them directly for a quote:
